## ORIENTATION PROGRAM FOR SPRING 2020

1<sup>st</sup> February, 2020

LBEF Campus welcomed its new spring 2020 intakes with an orientation program held on 1st Feb. 2020 at the Gokarna Forest Resort. The main aim of this program was to lay the foundation for the new students and acclimatize them with the systems, structures and manners of the LBEF. The hon'ble Executive Director of LBEF Er. Prakash Kumar welcomed the new batch with his motivational and

inspirational words. In the continuation the Chairman of LBEF Er. Pankaj Jalan and Prof. (Dr). Sandeep Kautish Dean Academics also highlighted the key features of the program. The formal session was followed by various ice breaking and team activities which was finally concluded with a gala dinner and presentation of prizes. The program was a nice blend of academic and fun interactive sessions.

## MESSAGE FROM THE FOUNDER

Dear Readers,

LBEF Campus, since its inception in 1998, is a pioneer and prominent teaching and research institution in the country. We have, as an Alma mater, has witnessed the achievements of the over 8000 of our graduates produced through the years, symbolizing the quality standards maintained by the Institution.

LBEF has always been ahead in initiating new academic paradigms, and now we have come up with Outcome Based Education (OBE) System and I feel proud that LBEF is the first private academic institution in Nepal offering bachelors and master's degree program based on OBE. As industry 4.0 and Education 4.0 are currently favoring to promote industry based education and as it has been adopted by several countries, we are starting OBE based education system by which students will be able to contribute in the curriculum and academic delivery in terms of knowledge, skills and attitude which are needed for long life learning. Beside this we are satisfied that we have successfully released and published 2<sup>nd</sup> issue of our flagship publication named LBEF Research Journal of Science, Technology and Management which comprises of our students' articles and research papers. We are also excited to announce that after the success of 1st International Conference named ICAETCMT held in September 2019, we are going to conduct our 2nd International Conference ICAETCMMT on 20th June 2020 which will provide a stage to national and international professors, industry practitioners, researchers to come and interact on new paradigms of business and industry.

My special congratulations to LBEF staff and students and we are looking forward & deepening our engagement and continuing on exploring and moving forward with novel ideas and beliefs.

God Bless You All!  
P. Kejriwal, Founder  
LBEF Group of Institutions

## FROM THE DESK OF EDITOR

Dear Readers,

It gives me immense pleasure to share you the highlights of events and programs successfully conducted in the past three months through the Volume Three, First edition of the quarterly newsletter 'LBEF Connect 2020'. A newsletter is like a mirror which reflects the clear picture of all sorts of activities undertaken by the college. Just Like that LBEF also in the past three months saw a series of literary, management and cultural events- which were a huge success. These included the Workshops on CV making, Extempore, a celebration of Saraswati Pooja and as a scholarly initiative, there was launch of the LBEF Journal along with a number of other student activities. I am confident that this edition of LBEF Connect will amply support this institution's contribution in the field of education.

A huge thanks to all the members who contributed in writing the wonderful and inspiring articles as well as to all the faculty members, students and staff members for their everlasting support throughout the creation of this edition within a stipulated time. I wish you a pleasant time reading through the newsletter and remain at your disposal for suggestions and comments.

Happy Reading!

Dr. Deepmala Singh  
Editor-LBEF Connect

## Workshop on Employee and Employment Trends Module

8<sup>th</sup> & 9<sup>th</sup> January, 2020

As a part of the assignment of 'Employee and Employment Trends' module, a workshop was organized by B.Sc. (IT) 3rd semester, students on 8th Jan. 2020. Mr. Punit Jajodia, a young entrepreneur and founding member of 'Programiz', a leading online programming tutorials portal of Nepal, was invited to have discussion and to share his experiences on understanding the competency needs to become a successful technologist/programmer/software engineer. Moreover, he also guided the students regarding building a good resume/CV and cover letter. The workshop gave facilitators hands on experience of solving real problems, team work and various stages and steps of conducting an event. Students enjoyed the session a lot.

To imbibe the skill of 'Learning by Doing', as a part of the assignment of 'Employee & Employment Trends' module, B.Sc. (IT) 3rd semester, students conducted a seminar on Cloud Computing under the supervision of Dr. Deepmala Singh on 9th January, 2020. Mr. Sanjaya Poudel, a young entrepreneur and open source cloud computing expert, founding member of 'Open Stack Developer Community' was invited as a guest speaker to have a talk about cloud computing. Besides briefing the topic he also shared his experiences and highlighted the guidelines to students regarding career making in successful Cloud Computing/ Open Source Technologist/Programmer/ Software Engineer. He highlighted on the opportunities and the essentials required by the candidate while joining the Open Stack Developer Community or any other IT company. The event ended with an interactive session by clearing the doubts and queries of the students.

## Chamber Diwas Celebration

12<sup>th</sup> January, 2020

Walk-A-Thon... LBEF Campus celebrated "Chamber Diwas" on the occasion of glorious 70 Years of Nepal Chambers of Commerce (NCC) .. Students and staff members of LBEF Campus participated actively in the march-past of NCC !!

## Activity on Extempore 2020

21<sup>st</sup> January, 2020

An extempore was conducted by LBEF's Art & Literature Club to encourage and explore the creativity and imagination of the students along with improving their presentation skills, by meeting the criteria of being confident, effective speaker and fluency of language. The event was successfully conducted on 21st January 2020 by Mr. Pankaj Gautam in coordination of Ms. Anju Ghosh. All the winners were awarded by Prof. (Dr.) Sandeep Kautish, Dean-Academics, of LBEF Campus.

## Activity on Project Expo 2020

24<sup>th</sup> January, 2020

As LBEF Campus always believes that the best way to set an example is by role-modelling concepts and skills that we aim to implant in our learners. When we speak to them about creativity, innovation, sustainable solutions and out of the box thinking, at that point we moreover accept that we must aim to exemplify. To this effect, On 24th January 2020 Project Expo was conducted at LBEF campus aimed to build the skills of the participants and provide a strategic opportunity to explore their creative ideas at industry level. Web-based projects, code languages were used with the finest IoT research and mobile applications for the presentation in this expo by the students. The main motto of this Project Expo event was to encourage students to thrive in today's world. It provided a platform for students to articulate about what they have learned and discovered.

## Saraswati Pooja

30<sup>th</sup> January, 2020

On the auspicious day of Saraswati Pooja the students and faculty members of LBEF Campus came to seek the blessings of the goddess of knowledge, music, art and culture.. The event was celebrated with lots of devotion and dedications by our Hon'ble Chairman Er. Pankaj Jalan, Dean Academics Dr. Sandeep Kautish with all students, staff and faculty members by worshipping goddess Saraswati. The event was ended by serving prasad to everyone present.

## Activity on Science Exhibition Locus

2<sup>nd</sup> February, 2020

A science exhibition 'LOCUS 2020' was held at Institute of Engineering, Pulchowk, Kathmandu wherein students of LBEF showcased static and working models which can be used for learning various scientific concepts. By participating in this exhibition the LBEF students showcased their talents on creativity and innovation. Students presented still models, working models, charts and posters to present their topics.

## Workshop on Digital Payment Issues in Nepal

7<sup>th</sup> February, 2020

Technological sharing session & seminar on "Digital Payment Issues in Nepal" was organized at LBEF Campus on 7<sup>th</sup> Feb 2020. Top Personalities of Nepal from Digital Payment Industry shared the current issues and possible solution related to Digital Payments.

Keynote Speakers invited to cover the topics were-

~ Managing Director of Khalti Digital Wallet Ltd. Mr. Amit Agrawal

~ Managing Director of Top Nepal International Mr. Sanjit Acharya

~ CEO of Npay Mr. Pratap Shrestha

~ Mr. Mohit Agrawal from IME Pay Nepal

~ Mr. Chiranjibi Adhikari, CISO, Nepal Electronic Payment System Ltd.

Executive Director of LBEF Campus Er. Prakash Kumar presented a token of appreciation to all Keynote Speakers. Students enjoyed the session and had a wonderful interaction with all Keynote Speakers.

## Launch of LBEF Journal

7<sup>th</sup> February, 2020

As a scholarly initiative LBEF Group of Institutions are now proud publishers of our own research journal with ISSN/e-ISSN named 'LBEF Research Journal of Science, Technology and Management'. The first issue of the journal was released by our Hon'ble Chairman Er. Pankaj Jalan and Executive Director Er. Prakash Kumar along with the editorial team led by Prof.(Dr.) Sandeep Kautish, Program Leaders and Faculty Members. The first issue comprises 6 research articles which are a miniature version of selected masters dissertations of LBEF students. We welcome the whole academic fraternity of Nepal to contribute their research work for the journal.

## MoU signed with AdMana Network & VoxCrow

9<sup>th</sup> February, 2020

LBEF Campus, since its inception in 1998, has always been keen to provide the best professional opportunities to our every student for enabling him/her not only for a better livelihood, but also for serving the society and largely the nation in the best possible way. While continuing the same tradition, LBEF Campus has signed the MoU with AdMana. Net Digital Ad Platform and VoxCrow for providing internship and placement to our B.Sc. IT students. Along with a number of provisions for the benefit of the students, an attractive stipend will be offered to the selected students during the internship period, and also a handsome and lucrative salary will be offered to selected students who wish to join the company after completion of the degree program.

## Birthday Celebrations

From January to February, 2020

Continuing with the tradition of celebrating birthdays of staff members, we celebrated birthdays of Dr. Deepmala Singh (14<sup>th</sup> Jan), Ms. Anju Ghosh (21<sup>st</sup> Jan) and Mr. Ram Kumar Thakur (29<sup>th</sup> Jan) on 29<sup>th</sup> Jan 2020 & Ms. Sujita Maharjan (15<sup>th</sup> Feb), Mr. Uttam Neupane (6<sup>th</sup> feb), Mr. Paras Sapkota and Mr. Saroj Malakar (12<sup>th</sup> Feb) on 28<sup>th</sup> Feb 2020

We wish all of them a Very Happy Birthday and happy & Healthy Life in coming years.

## World Book Day

5<sup>th</sup> March, 2020

World Book Day was created on April 23rd, 1995, by the United Nations Educational, Scientific and Cultural Organization (UNESCO). Books are more than simply pieces of paper with words on them, World Book Day is all about celebrating the wonderful power of books and the joy of reading. It's the day when you can put some thought into how to encourage others to read more too. To commemorate this feeling only LBEF Library announced the winners for visiting and spending maximum time in the Library for the month of January and February.

They were-

- Priyanka Rai, Kushal Bhattarai and Harish Yadav- students of B.Sc. (IT) 1st Sem
- Kris Khadka- student of B.Sc. (IT) 5th Sem and
- Haneena Zainab- student of B.Sc. (IT) 1st Sem

# Congratulations!
