Together, we are shaping the future of education!

2nd January, 2024

Education summits play a crucial role in driving innovation, collaboration, and improvement in education systems worldwide. – Bradley Josh

The Kantipur Education Summit, a platform for discussing the challenges and opportunities in Nepal's education sector, held on 2nd January 2024, in Soaltee Hotel, Kathmandu, brought to light various perspectives on the current state of higher education in the country. LBEF is very much proud to be the education partner at the Kantipur Education Summit 2080.

On the event, Prime Minister Pushpa Kamal Dahal said that the efforts made in the improvement of higher education in the country were insufficient, and that there would be a revision for its betterment. He further added that the legitimate interests of all parties will be addressed in the education bill. The insights from the Kantipur Education Summit and Prime Minister Dahal's commitment to reform present a pivotal moment in Nepal's higher education landscape. According to him, the push for depoliticization, increased investment in infrastructure, and a shift towards a merit-based system are essential steps towards enhancing the quality and global competitiveness of Nepal's education system.

Exploring the World of Blockchain Technology

5th January, 2024

"Exploration is curiosity put into action."
- Don Walsh

Exploring the world of blockchain technology opens up a vast landscape of innovation, disruption, and potential. LBEF campus organized Block chain 101 Session at LBEF Seminar hall to offer every LBEF student a chance to delve into the world of Blockchain technology and beyond. The guest speaker was Mr. Manjik Shrestha from eSatya Company. He gave knowledge about opportunities, challenges and diverse application of blockchain technology. The B.Sc.IT students had the privilege to delve into the

realms of myth vs. reality, current trends and career opportunities with eSatya Company's representatives. It was an enlightening event where knowledge met curiosity, and our students got to interact directly with industry experts.

Seminar on Cybersecurity

12th January, 2024

"To be prepared for cyber threats, we must understand the motives and capabilities of those who seek to do harm in cyberspace."
- James Comey

In today's interconnected world, where digital technologies permeate every aspect of our lives, the importance of cybersecurity cannot be overstated. From personal data to critical infrastructure, the threats posed by cybercriminals loom large, requiring constant vigilance and proactive measures. Seminar on Cybersecurity was conducted at LBEF Seminar hall to empower B.Sc.IT students with insights from cybersecurity expert and bug bounty hunter Mr. Saugat Pokhrel a Cybersecurity Researcher Rewarded by Facebook and Instagram.

He provided his invaluable insight about the key challenges, emerging trends, and strategies to mitigate risks regarding Cybersecurity. It was a fruitful seminar where the students had opportunity to explore about tangible and intangible aspects of cybersecurity and ethical hacking. Guest speaker appreciated the active participation of LBEF students.

MESSAGE FROM THE CHAIRMAN

**Er. Pankaj Jalan,
Chairman
LBEF Group of Institutions**

Dear Readers,

Greeting from the LBEF Campus
I hope you are doing well,

I am thrilled to welcome our readers to the first issue of LBEF Connect for the year 2024. The first trimester of this year has brought numerous new achievements for us. We hosted the Graduation Ceremony at Soaltee Hotel, Tahachal, Kathmandu on January 30th, 2024. Prof. Dr. Subarna Shakya, Director of the IT and Innovation Centre at Tribhuvan University, was the Chief Guest, and Mr. Gurpardeep Singh, Chief Operating Officer at the Asia Pacific University of Technology and Innovation, Malaysia, was the special guest for this significant day. Among the esteemed guests were Mr. Rajendra Malla, President of the Nepal Chamber of Commerce, and Mr. Birendra Mishra, Former Director General of the Department of IT and Advisor at the LBEF Group of Institutions. Over 150 LBEF students who graduated in 2023 were conferred with degrees in Information Technology and Management, including B.Sc. (Hons) in IT, MBA, and MSc ITM.

In addition to the graduation ceremony, we organized a series of guest lectures on cutting-edge topics. Mr. Manjik Shrestha delivered a lecture on “Exploring the World of Blockchain Technology,” Mr. Jatin Bhusal spoke on “Unlocking AI, ML, and Quantum Computing,” and Mr. Saugat Pokhrel addressed the “Importance of Cybersecurity.” We also facilitated an industrial visit to Adex International and conducted several training sessions, including those on AWS Cloud, Artificial Intelligence and Machine Learning, .NET and Azure, and Cloud Computing. These initiatives were aimed at encouraging and motivating our students.

We had the opportunity to sign a Memorandum of Understanding (MoU) for the National ICT Scholarship 2081 and proudly became the primary sponsor of The Prime Minister’s Cup.

Finally, I would like to express my gratitude to our readers for their support and well-wishes. We aspire to achieve even more academic successes in the future.

Wish You a Very Happy New Year
God Bless You All!

MESSAGE FROM THE DESK OF EDITOR

Ms. Anwesh Sthapit
Editor
LBEF Connect

Dear Readers,

Welcome to the 1st issue, Vol. 7 of LBEF Connect. The past three months have been incredibly productive in terms of both academic and extracurricular activities. We are committed to delivering cutting-edge, quality education to our students and will continue to do so in the future.

During this period, Graduation Ceremony was held at Soaltee Hotel, Tahachal, Kathmandu on January 30th, 2024, marking a significant milestone for our institution. We organized several guest lectures on diverse and contemporary topics. Mr. Manjick Shrestha delivered an insightful lecture on “Exploring the World of Blockchain Technology,” Mr. Jatin Bhusal spoke on “Unlocking AI, ML, and Quantum Computing,” and Mr. Saugat Pokhrel discussed the “Importance of Cybersecurity.” Furthermore, we hosted sessions on Artificial Intelligence and Machine Learning, .NET and Azure, and Cloud Computing. These sessions aimed to inspire and motivate our students, helping to broaden their mindsets and deepen their knowledge in these critical areas.

Beyond academics, our students actively participated in numerous non-academic events. The LBEF Winter Fest, Futsal Tournament, Saraswati Puja, A Step towards Humanity initiative, and Holi Celebration 2080 were all well-attended and showcased the vibrant spirit of our community. These events provided students with opportunities to unwind, socialize, and engage in activities that foster personal growth and community spirit.

Finally, I would like to express my heartfelt gratitude to the parents, students, and both academic and non-academic staff for their continuous support and hard work. Your dedication helps to keep the mission and vision of LBEF Campus at the forefront of academic excellence in the country.

Thank you for being part of our journey. Stay safe and healthy, and God bless you all!

Unlocking AI, ML and Quantum Computing Futures

21st January, 2024

“The real voyage of discovery consists not in seeking new landscapes, but in having new eyes.” - Marcel Proust

B.Sc.IT students of LBEF Campus hosted its first talk show featuring industry expert Mr. Jatin Bhusal, Founder CEO of Ester Nepal, delving into the dynamic landscape of AI, ML and Quantum computing employment trends. He provided insight about the potential applications of quantum computing span across diverse fields such as Cryptography, Drug Discovery, Material Science and Optimization. He further added that, with continued investment, research, and development, quantum computing has the potential to revolutionize industries, drive scientific breakthroughs, and shape the future of computing and innovation. From crucial insights to industry expectations, the conversation sparked the path to tomorrow’s career success. The talk show was well received and appraised by the students.

Seminar on the “Essence of Entrepreneurship: Empowering Innovators”

9th January, 2024

“The entrepreneur always searches for change, responds to it, and exploits it as an opportunity.” - Peter Drucker

The LBEF Entrepreneur Club sparked innovation with a seminar on the “Essence of Entrepreneurship: Empowering Innovators”, featuring insights from Mr. Bittoo Kumar Sharma. During this session, students gained valuable knowledge on the evolution and current trends in entrepreneurship, fostering inspiration for our aspiring entrepreneurs. They got insight about The Entrepreneurial Mindset, Innovation and Adaptability, Social Entrepreneurship and Impact, and Growth Strategies. They delved into key takeaways, including strategic insights, practical approaches to innovation, and the importance of adaptability in the dynamic business landscape. The seminar provided a platform for students to absorb essential entrepreneurial principles and enhancing their understanding of the entrepreneurial journey. The thunderous applause filled the room, a symphony of appreciation for the event’s seamless organization, engaging activities, and memorable moments shared among all attendees.

LBEF Sponsors the Prime Minister Cup

13th January, 2024

The Prime Minister Cup, stands as a pinnacle in the realm of Cricket. Held annually, this tournament gathers the finest talents from across the nation, showcasing their skills and prowess on a grand stage. For years, the PM Cup has been a beacon of excellence, drawing attention from sports enthusiasts, media, and sponsors alike.

LBEF Vidyapeeth signed a Memorandum of Understanding (MoU) with Cricket Association of Nepal (CAN) and proudly became the Primary Sponsor of the PM Cup. The MoU was signed by Er. Pankaj Jalan, Chairman of LBEF Group of Institutions, and Mr. Paras Khadka, the secretary of Cricket Association of Nepal (CAN).

Becoming the Primary Sponsor of the PM Cup is a significant opportunity for the LBEF campus, reflecting its commitment to sports, community engagement, and national development. It is not only a strategic branding opportunity, but also a powerful statement of its values, aspirations, and commitment to making a positive impact on society. Through this sponsorship, the campus can showcase its leadership, innovation, and dedication to excellence on a national stage, leaving a lasting impression on all who participate in and witness the excitement of the PM Cup. One of the key initiatives undertaken by LBEF Campus was the implementation of grassroots development programs in collaboration with the organizing committee of the PM Cup. These programs aimed to identify and nurture young talent, providing them with the resources, training, and mentorship needed to excel in their chosen sport. Through these efforts, LBEF Campus not only invested in the future of sports but also ingrained itself as a catalyst for positive change within the community. It symbolized a shared commitment to excellence, community, and the enduring spirit of sportsmanship.

Congratulation Asia Pacific University

19th January, 2024

LBEF proudly congratulated our associated International University, Asia Pacific University for its stellar performance in global education, the first Malaysian University to achieve a 5-star+ rating and a place in QS World Rankings 2024. Er. Pankaj Jalan, Chairman of LBEF Group of Institutions, informed that the university is the only university in Malaysia to receive five-star plus score related to information technology. According to him, Asia Pacific University is the largest in Malaysia and the 16th in the world based on the number of foreign students studying. He mentioned that the employment rate for students studying in that university is 100 percent. He said that the students studying at Lord Buddha Education Foundation will also get educational facilities at Asia Pacific University in Malaysia under the student exchange program.

LBEF Winter Fest

19th January, 2024

“Winter festivals remind us that light will always triumph over darkness.” - Anamika Mishra

The LBEF Winter Fest program was organized on 19th January on the LBEF campus premises to showcase the talent and organizational skills of the graduating students. The program promoted the culture of entrepreneurship by gathering collective spirit, practical knowledge and experience along with the creativity of the students. All the students, faculties and staff members were enthusiastically present from the beginning to the end of the program.

The formal session was chaired by Mr. Prakash Kejriwal, Executive Director of the LBEF Group of Institutions. The formal session was featured by “Lamp Lighting Ceremony” followed by “Cake Cutting Ceremony”. Mr. Prakash Kejriwal inaugurated the program and spoke about the importance of extra-curricular activities in life and encouraged students also to participate, initiate and act on these activities besides their studies. Mr. Nilmani Neupane, Chief Operating Officer of LBEF Campus, delivered the vote of thanks by congratulating the student representatives, who organized this event in a short period of time. He motivated the students to effectively utilize their precious time in college life for their future making effort. He also informed the students that the Campus will always support and encourage students to organize such programs.

After the inaugural session, students started with various entertaining activities such as dance performances, soulful singing, hilarious stand-up comedy acts, games and exciting prizes, cultural fashion ramp walk etc. Various foods and beverages were also served by the students during the program.

The attractive decorations, the extravaganza entertaining activities, the delicious treats and the air filled with laughter created cherished memories. The program ended with enthusiastic applause from all who attended which is a testament to the hard work, creativity and dedication of everyone involved in organizing and executing the event.

Graduation Ceremony

30th January, 2024

“We do not need magic to change the world, we carry all the power we need inside ourselves already: we have the power to imagine better.” – JK Rowling

Graduation Ceremony 2023 of LBEF Campus held at Soaltee Kathmandu on 30th January 2024. In the program, Datuk Paramjit Singh, Chief Executive Officer of Asia Pacific University, said that in the 25-year history of the college, more than 13,000 students have been graduated. He further added that APU is the first university in Malaysia to receive a five star rank and has been ranked 16th among the best universities in the world.

Er. Pankaj Jalan, Chairman of Lord Buddha Education Foundation said that the campus has been implementing the policy of studying and earning in Nepal. He said, “After leaving Lord Buddha, every student should feel the responsibility towards himself, his family and the state. There are plenty of opportunities in the country and it is up to you to open the doors of possibilities.”

Mr. Rajendra Malla, President of Nepal Chamber of Commerce emphasized that part-time employment should be arranged for the students. According to President Malla, the increasing number of educational unemployment is unfortunate for the country.

Mr. Birendra Mishra, Former Director General, Department of IT said that quality education is not merely a privilege to be enjoyed by the fortunate few; it is a fundamental right that must be accessible to all, irrespective of background or circumstance. He further added that the nation must offer a diverse range of employment opportunities across various sectors catering to the skills and interests of its workforce.

More than 150 LBEF students graduated in 2023 were conferred with their degree certificate in Information Technology and Management domain i.e., B.Sc. (Hons) in IT, MBA and M.Sc. ITM. The parents and family members of graduating students also attended the ceremony and witnessed their wards achieving a milestone and stepping into professional life. LBEF Family wishes all the graduates for grand success and prosperity in the future life.

Visit to Adex International

30th January, 2024

“Learning never exhausts the mind.” - Leonardo da Vinci

On a recent industrial visit, students from the BSc.IT 1st semester had the opportunity to visit Adex International located in Ekantakuna, Lalitpur on 30th January 2024. The visit proved to be highly informative and engaging for the students, as they were able to interact with the IT team and gain valuable insights into the workings of the IT Company.

During the visit, the students were introduced to Cloud Security, Software Development, Machine Learning and Data Engineering. The IT team at Adex International was extremely helpful in answering all the queries of the students and provided a comprehensive understanding of the various aspects of the industry. From witnessing cutting-edge technologies to understanding real-world business operations, this experience has fuelled their passion for learning and equipped them with practical skills.

Empowering the Future: MoU for National ICT Scholarship 2081

8th February, 2024

LBEF and Federation of Computer Association Nepal are proud to announce the signing of a MoU for ‘National ICT Scholarship 2081’ worth Rs. 2 Crore. This initiative will provide 49 deserving students with the opportunity to pursue a B.Sc.IT degree at LBEF in academic collaboration with Asia Pacific University of Technology and Innovation. Students who have completed 10+2 or equivalent from recognized board or Diploma in Computer Engineering from CTEVT will be benefited with this scheme. Students who have appeared for 10+2 or equivalent examination can also apply. Girl students will be most benefited by this scheme and the reason to do so is to further the educational opportunities of young women of future generations.

Another month, another round of achievements and celebrations!

12th February, 2024

In the tapestry of our LBEF campus community, the celebration of team member’s birthdays and work anniversaries shines brightly as a beacon of gratitude, joy, and unity. Through personalized recognition, joyful gatherings, culinary delights, and expressions of gratitude, we come together to honor the remarkable individuals who enrich our lives and embody the spirit of our campuses mission. At the end of Magh Month, birthdays of Mrs. Laxmi Jha (HR Assistant), Mr. Sanjay Kumar Sharma (Finance Officer), Mr. Uttam Neupane (Administrative officer), Mrs. Pokali Shrestha (Office Helper), Ms. Manisha Panthi (Admission Officer) and Mrs. Anju Ghosh (University Coordinator) was celebrated. Similarly work anniversary of Mr. Jasbir Singh Makkar (IT Officer), Mrs. Suman Bista (Librarian) and Mr. Pashupati Acharya (Office Assistant) was celebrated. As we continue to celebrate birthdays and work anniversaries with sincerity and joy, we reaffirm our commitment to fostering a culture of appreciation, inclusion, and excellence that defines our campus community.

Saraswati Puja

14th February, 2024

“Let us invoke the blessings of Maa Saraswati to bestow us with the light of knowledge and wisdom to dispel the darkness of ignorance.”- Anonymous

On the auspicious occasion of Basant Panchami, LBEF campus organized a Saraswati puja, during which faculty members, staffs and students offered prayers to Saraswati, the goddess of learning, wisdom, music, and the arts. The college was beautifully decorated with flower garlands, balloons, paper flags etc. The program was inaugurated by Er. Prakash Kumar Kejriwal, Executive Director of LBEF group of institutions by lighting a lamp in front of Goddess Saraswati’s idol. The prasad was distributed among all the members after the puja. The fragrance of flowers, the aroma of the burning camphor in lamps and the bright paper designs fluttering under the blue skies filled campus environment with peace and positivity. This commemoration bought recreation, refreshment, entertainment and fun all together.

A Step Towards Humanity

14th February, 2024

“No one has ever become poor by giving.” - Anne Frank

On behalf of the entire LBEF Campus, SRC conducted a charity event, ‘A Step Towards Humanity’ on the occasion of Saraswati puja. The SRC members visited and donated necessary stationery items to Pranavananda Ashram Nepal, an orphanage located at Guheshwori. The act of donating stationery items to an orphanage stands as a testament to the power of compassion, empathy, and collective action. It is a reminder that even the smallest gestures of kindness have the potential to ignite a spark of hope and illuminate the path towards a brighter tomorrow. It is a symbol of love, solidarity, and the unwavering belief that, no matter the circumstances, every child deserves the chance to shine. Grateful thanks goes to all faculty members, staffs and students of LBEF, who enthusiastically contributed to this noble cause, in any way they can, thereby amplifying the impact of our collective efforts in uplifting communities. Sincere appreciation is extended to LBEF family for your attention and support towards this meaningful endeavour to spreading joy and love to these young angels.

Training Session on Artificial Intelligence (AI) and Machine Learning (ML)

21st February, 2024

“If you are not willing to learn, no one can help you. If you are determined to learn, no one can stop you.” - Zig Ziglar

In a dynamic era where technological advancements are reshaping industries, LBEF takes pride in equipping its B.Sc.IT students with cutting-edge skills in Artificial Intelligence and Machine Learning. Through a comprehensive training program tailored to meet the demands of the digital age, students delved into the realms of AI and ML, mastering algorithms, predictive analytics and data-driven decision making. It was a great learning experience for all the participants and well applauded by all.

Insightful Session on Microsoft

25th February, 2024

“The only way to achieve the impossible is to believe it is possible.” - Charles Kingsleigh

Mr. Md Yousup Faruqu, Managing Director of Bangladesh, Bhutan and Nepal at Microsoft graced LBEF by inspiring students with an insightful session. His session covered key aspects about Microsoft such as Product Ecosystem, Cloud Computing and AI, Business Model and Revenue Streams, Cyber security and Privacy, Competitive Landscape and Corporate Social Responsibility. The session provided a comprehensive exploration of the company’s impact, initiatives, and future direction in technology, innovation, and societal change. The participants gained a deeper understanding of the company’s history, products, strategies, and impact on the technology industry and society as a whole. Queries raised by the students were addressed by him and it was an immensely enriching, interesting and interactive session. The session was concluded after Er. Pankaj Jalan, Chairman of LBEF group of institutions handed token of love to Mr. Md Yousup Faruqu.

Session on NET and Azure

28th February, 2024

“Success is walking from failure to failure with no loss of enthusiasm.” - Winston Churchill

LBEF Campus organized an exceptional opportunity for all B.Sc. IT students seeking to enhance their skills in the world of .NET and Azure. The session featured Mr. Samyush Maharjan from Code Himalaya. With his profound knowledge and expertise, he introduced the concept of .NET and Azure, and shed light on its significance in today’s era. He also emphasized the growing demand for cloud computing in Nepal, making it a promising field for future career prospects. Furthermore, Mr. Biplab Karki, CEO of Hyperce, delved deep into entrepreneurial perspectives as a IT student. He shared his valuable experiences to help students find balance in their personal and academic lives. Special thanks goes to Nepal Cloud Professionals and Mr Sandeep Kumar Jha for arranging the session. The event was attended by more than 55 students of LBEF and was highly appreciated and applauded.

LIFE

In life’s grand stage, we play our part,
A journey of the soul, an endless art.
With each breath drawn, a story unfurls,
In the tapestry of time, our hopes and pearls.

Through highs and lows, we learn to thrive,
In life’s gentle whispers, we feel alive.
With each passing moment, we find our way,
Embracing the beauty of each new day.

So let us cherish this precious gift,
With gratitude, our spirits lift.
For life is fleeting, yet ever bright,
A symphony of moments, pure delight.
